

# Relationship Skills Seminar

## What is Needed to Build Lasting Relationships?

For a marriage (or any significant relationship) to last you **MUST** have: Commitment, Compromise, and Forgiveness for each other.

For a marriage to bring lasting joy you need Trust, Charity, and Relationship with each other.

For a relationship to succeed you **MUST** have: Nearness, Knowledge, Communication, Vulnerability, and Commitment.

Marriage starts with commitment and last “until death do we part” with commitment.

Learn to develop these qualities in your relationship.
