What others say...

One day the Smiths were going to cancel the Bible Class for that week. I begged them to come. The weekly Bible Class makes a great difference in the attitude of the children for the entire week. .

Leslie-Day Care Teacher, Pensacola

Day Care Outreach is such an enhancement to our educational program. Our children are taking the songs they learn into their homes. The music is a fun and exciting way to get the Word of God into the hearts and minds of children. Mr. Phil, as the children refer to him, is a highlight to our day. I would highly recommend this ministry to you.

Day Care Outreach Ministry

*“Train up a child
in the way he should go:
and when he is old,
he will not depart from it.”
Proverbs 22:6*

Teaching Little Ones About Jesus

Why Day Cares?

Preschool outreach is an excellent opportunity for the church for several reasons:

- The preschooler is at the age of discovery. Preschool children have a natural desire to learn about God.
- Most day cares welcome positive role models for their children.
- Many day cares are concerned about the spiritual needs of their children but are limited in their abilities to address these needs.
- Day care outreach gives the local church the opportunity to meet a need in their community and build relationships with the children, parents, and day care staff.
- Children need a strong Christian foundation laid before entering the public school arena.
- The Bible emphasizes the value of the preschooler and the importance of teaching them Biblical truth.

Who's Involved?

Day care outreach ministry teams include: Leader/Coordinators, Prayer Warriors, and Teachers,

Leader: Oversees the overall day care outreach program for the local church. Sets up day care sights, recruit volunteers, provides curriculum, and encourage the teachers. Coordinators can be used to assist the leader when the ministry expands to multiple teams.

Prayer Warriors: Prays weekly for specific day cares and teachers. Contacts the teacher once a week to receive updates on the outreach and learn of prayer needs.

Teachers: Conducts weekly 30 minute clubs at local day cares. Studies, prepares, and presents the lessons to the preschoolers. Builds relationships with the children, parents, and day care staff.

Is There Training?

Yes, Volunteers will participate in a one day training seminar and observe an actual day care outreach.

After three weeks of outreach site training the volunteer teacher will partner with another teacher for regular weekly Day Care Bible classes.

What is included in the Bible Class?

Prayer: Each class is opened with prayer and a warm greeting to the children.

Music: Children will participate in songs that install Biblical teaching at a preschool level. The songs are enjoyable and easy for a preschool child to learn.

Bible: Each week the children will learn a Bible story and verse relevant to their age.

Games: Children will play games designed to reinforce the teaching.
