

Debbie's Favorite Play Dough Recipe

- 1 cup flour
- 1 cup water
- ½ cup salt
- 1 tbsp oil
- 2 tsp Cream of Tartar (found in spices)
- Several drops Neon Liquid Food Coloring
- 1 tsp flavoring for scent (I use almond extract or what I have on hand)

1. Place all ingredients in a sauce pan and heat over medium heat
2. Stir constantly and swiftly until water is absorbed
3. As soon as the water is absorbed, remove from heat and place play dough on flour coated wax paper. Coat your hands with flour and knead playdough until pliable.
4. I wrap in wax paper while warm, when the play dough cools off, I store in air tight container.

Tip: Be sure children sanitize their hands before using, remind children it's NOT edible, and use just one color at time to avoid children mixing colors, always give children wax paper to work on.
