## **Praise God for:**

- Lyn Oerting from New Orleans, Louisiana.
- Debbie & Phil Smith who were my first trainers (TCE 1) as well as Chris Robertson who was an inspiration and part of the practical side of it.
- Abner & Susan Pineda along with Sandra Juarez for their dedication serving the Lord through CEF Latin America and for their prayers for me.

## **Please, pray:**

- To get A MAC computer to be more efficient with the translation.
- To raise my support
- To accomplish the goal to translate teaching materials from the Resource CD, by the end of July.
- To be a blessing in the CEF work being done in Peru.

**Lyn & myself in New Orleans**

Sister Lyn has been a blessing to my life since she was an instrument of God to attend the 2016 Latin American CEF (APEN) Leadership Institute in Mexico.

**Phil & Debbie Smith, my first TCE teachers**

So here I am, two and a half years later, full of gratitude for God leading me, caring for me, and confirming His will for me. All I have to do is to follow and obey Him. Sometimes, it can be a tough decision to obey but when you do, that is where God is waiting with open arms and ready to reveal more of His purpose and will for me.

This past year I have been a CEF volunteer in Peru and translating for the Latin American región. God has been faithful in the midst of big changes and now I am a full-time CEF worker. Although, I will be mostly dedicated to translations, I will love every opportunity to serve Him in other ways to reach the children who do not yet know Him.

I feel the Lord has called me into the much-needed role of developing and leading the translation department for the Latin American region. We are now in the final stages of updating the Level-1 manuals. The list of future projects is overwhelming and I realize the need of a strong team to back me up in prayer.

Serving full-time also requires that I raise my support. Please pray with me that God will call 20 people to give \$50 a month. Praise God, I already have two!

If you feel God would have you be a part of my team, please let me know so I can send you regular prayer requests. Also, if God would use you to give any amount, it will be greatly appreciated.

I am including my Prayer Card designed as a bookmark to keep in your Bible. The translation process is very meticulous. I really need your prayers. If you have friends who would be interested in joining this team, please let me know.
