

Wonder Bag

How to Make a Wonder Bag

By Melody Smith

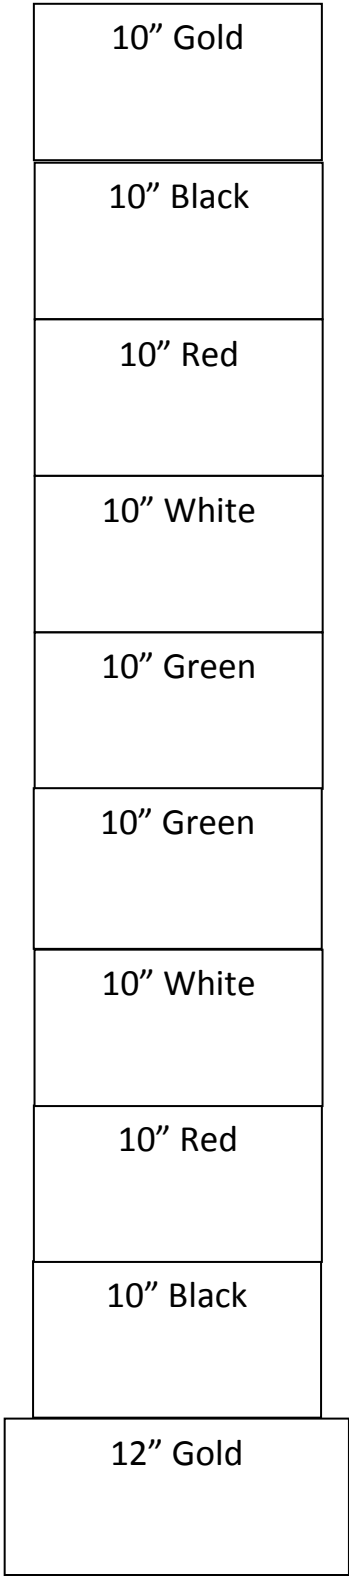

Material for 2 bags:

- 1/3 yd of black, red, white, green, gold
- 2 (8") zippers
- (45" wide fabric, 1 2/3 yard length will make 13 bags)

Instructions to make 1 bag:

1. Cut two 10" squares of all the colors except gold.
2. Cut one 10" square of gold; cut one 12" x 10" square of gold
3. Sew in zipper on one green square, placing 3" from top of square
4. Line up squares in this order: black, red, white, green with zipper, green, white, red, black, gold, and 12" x 10" gold at end.
5. Fold in half between the green and white square and gold and black square.
6. The end of the larger gold square is joined with the top black to form a circle.
7. With greens up begin at fold and fold up each square (4 folds).
8. Extra length on gold will encase the raw edges to form Wonder bag. Two basting stitches to close up.

Extra notes: Having pressed down, green facing green, white facing white, red facing red, black facing black, gold on the outside.
