

## **Jesus is my Super Hero Skit**

### **Kids enter to song: Jesus is my Super Hero**

**Child:** Jesus is the Super Hero! He is the Mighty God! Hey everyone do you remember Zephaniah 3:17?

### **Kids sing Zephaniah 3:17**

#### **Skit 1:**

**Child 1 enters:** Lamby! Lamby!

**Super Shepherd enters:** Can I help you?

**Child 1:** Who are you?

**Super Shepherd:** I am super shepherd; I can find lost lamb 100 miles away! Look! Over there! I see lamby now! (Super Shepherd runs to back of chapel and rescues lamby)

**Child 1:** Wow! That's awesome. Can you save people lost in sin?

Super Shepherd: Save people?! Oh no, only Jesus, the Super Hero, can do that!

**Child 1:** Baaaa – Baaaaa

**Super Shepherd:** What are you doing?

**Child 1:** I want Jesus to find me so I can be saved from the punishment of sin!

### **Song: Luke 19:10**

#### **Skit 2:**

**Child 2** enters dressed up like Clark Kent working at fast food restaurant.

**Clark Kent:** Can I take your order

**Child 2:** You're Clark Kent? You work at McDonalds?

**Clark Kent:** Yes, I need a part-time job these day. What can I get for you?

**Child 21:** I would like to place an order of Fish Sandwich and fries and I need you to super-size it.

**Clark Kent:** Super-size it?

Child 2: Yes! I need to feed a multitude of people! I'm having a birthday party at the super dome!

Clark Kent: Not even superman can super-size an order of fish and chips that big! Only the one true superhero, Jesus, can do that!

Child 2: That's right! I learned at Bible School that Jesus has the power to meet my greatest need. A relationship with Him! A fish sandwich lasts only a few minutes but knowing Jesus is forever!

Super Optometrist: Hello! I am super optometrist. I have gladness to fix all your vision problems: near-sightedness, far-sightedness, color blindness, and night blindness. How can I help you see better?

Child:      Doctor, I want to see Jesus. If I can see Jesus more clearly, I can show His love to the world and help others see Him too.

Super Optometrist: Oh! I see! (get it... I see...???? Oh, well) Son, I don't have glasses to help you see Jesus but you know what... my assistant has a color chart that has helped many people see Jesus.

Adult Assistant: (Briefly share plan of salvation using the Wordless Book colors with a chart or book; I used a Wordless Magic Bag from <https://www.letthelittlechildrencome.com>.)

Child 4: Now I SEE how I can SEE Jesus! That's the best chart ever! Can I borrow it? I can help my friends SEE Jesus too!

Super Optometrist: Well, you can't borrow the chart, but here's something you can use. The Gospel Fuzzies will help your friends see Jesus!
