

I found this cute idea on Pinterest and made plain capes with foam felt and attached the daily memory verse on the capes as a take home. I used Dum-Dum Suckers. I find kids really love dum-dum suckers and picking out their favorite flavor! I included the next page for a pattern for the capes.

The Bible verses on the following pages are also great to include in a prayer box. We made a craft prayer box that I purchased through Oriental Trading. I googled Jesus Super Hero and they had several items. I REALLY loved the posters, they were a great value.

elisa@cuorhome.net made this!
