**April 17, 2020** *God is our refuge and strength, a very present help in trouble. Psalm 46:1*

**Dear Friend,**

**Funny News.** One afternoon my son forwards a news article from CNN suggesting that senior citizens self-quarantine, we laugh about it. Perhaps a week later, our governor, Edwards, mandates a quarantine for the entire state. We had just attended the Governor's Prayer Breakfast in Baton Rouge. Senate Chaplain, ADM. Barry C. Black delivered the challenging message. His message? **Live Like You're Dying.** You can hear his message here: <https://www.facebook.com/lagpb/videos>. Governor Edwards emphasized how he needed prayers more than ever; he said the next day he would spend time fasting and seeking God's face regarding the virus.

That was Tuesday, March 10. On Saturday, March 14, we canceled our Super Seminar due to the virus threat. Our church service was quickly moved to on-line services. God amazingly began to open doors and means for WCK to continue to reach the children through on-line services. We actually host three weekly Facebook Live kid's events.

*Shere Serpas with grand-daughter, Anya, assist at the Delacroix Hope Easter Egg Drive-thru.*

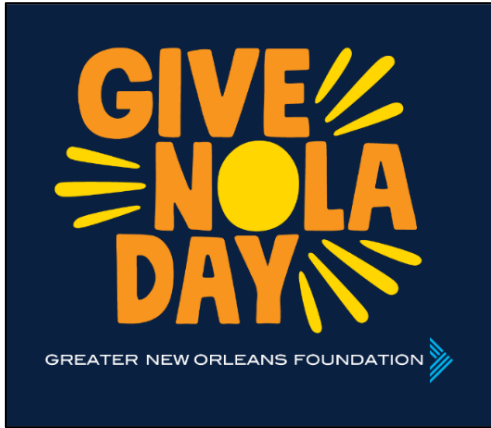

*Debbie poses (no touching allowed due to COVID19) with Good News Club member, Savannah Bailey, at our neighborhood Easter Egg Drive-thru.*

**God works in amazing ways.** We honestly felt we could not offer any Easter Kids event and planned to only provide an on-line Easter Sunday School class for children. God spoke to our son and daughter-in-law, Michael and Susan Watkins. They wanted to do something for the children at Delcroix Hope Baptist (where we volunteer). Within three days' time, we pulled off an Easter Resurrection Egg Drive-thru event (one for Delacroix Hope and one for our neighborhood; plus, additional outreach for Bethel Colony Rehab Family House). Children learned the resurrection egg story, received resurrection egg hand-outs that they could use at home to hide & hunt. Also, we gave out Bibles, treats, gift cards, and candy. All while being COVID-19 safe. Praise the Lord.

**One Gift.** Because one couple cared, their gift reached 129 children and parents with the Gospel (+ internet contacts). That is the power of giving and God's ability to multiply your gift! Check out our blog with photos @ <http://WeeCanKnow.com/eggs>.
