What time I am afraid, I will trust in you. Psalm 56:3

Phil & Debbie Smith

Dear Friend,

These days can make us feel anxious and scared. For children and families, the sense of routine changed overnight. We wanted to connect with the children in our various ministries and give them a sense of normalcy. Helping them know that we care for them and so does Jesus.

First, we offered to provide a Facebook Live for the preschool children we teach each Friday. At our regular chapel time, 10 am, we went live on Facebook, provided a program with songs, memory verse, and the Gospel Fuzzies. We had over 193 people reached! Some parents said their child watched the video several times!

For our Tuesday Arabi Elementary Good News Club, we contacted the parents (first by email, then

by mail, then by phone... parents are hard to reach)!!! At last, reached them by a personal phone call. We offered a Facebook Live Bible class at the regular time of Good News Club®!

For church services, we assisted our pastor and the youth director so they could go live on Sunday morning. We provided a Sunday School class for the children.

We've actually found this new way to engage with children and parents rewarding. In many cases, reaching beyond our normal outreach (our pastor had over 1200 engagements his first Sunday, our normal church attendance average is 30)!

With the new normal, God immediately showed us a way to continue "telling His story, training leaders, and teaching little ones." While we continue to pray for deliverance and healing from this virus, God shows us ways to provide His love and consistency to struggling families.

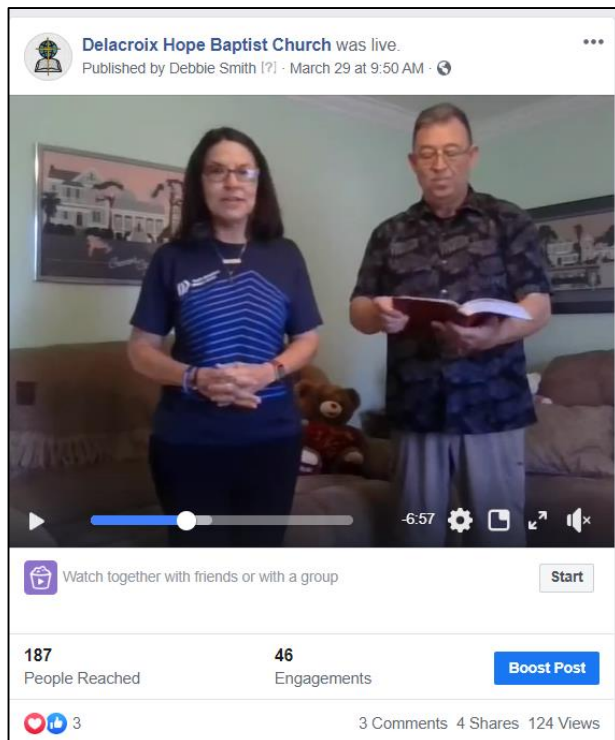

Thank you so much for your generosity. Because you give, we can reach out to the families and remind them of God's love, faithfulness, and promises. We pray for your family and loves ones to be safe from the virus and that God will prove His faithfulness each day!

For the Little Ones,

Phil & Debbie Smith

Praises and Prayer Requests:

1. Praise! The opportunity to connect with children and parents through modern technology and social media.
2. Pray! God will guide us using the modern technology effectively and help us improve in our skills.
3. Pray! We rescheduled our Super Seminar (canceled March 14 due to virus) for August 15.
4. Praise! Phil continues to improve from his various surgeries and procedures. Continue to pray for his health.
5. Pray! Give NOLA Day is May 5th (our annual on-line fundraiser). Pray we meet our goal of \$8,000.
