Therefore, I positioned men behind the lower parts of the wall, at the openings; and I set the people according to their families, with their swords, their spears, and their bows. And I looked, and arose and said to the nobles, to the leaders, and to the rest of the people, "Do not be afraid of them. Remember the Lord, great and awesome, and fight for your brethren, your sons, your daughters, your wives, and your houses. Nehemiah 4: 13-14

Dear Builder of the Wall,

In a figurative way, like the days of Nehemiah, we can see the walls of our society crumbling. We listened to two commentaries given in the mid 60's, one by Paul Harvey, *If I were the Devil*, both hauntingly described much of what we are experiencing today. What can we do about the current crisis?

After a period of mourning and fasting (which we encourage you to do) Nehemiah rose into action. To restore the wall would take every single Jew and family member to assist! Here at WCK, we face a task larger than one person can manage alone. Reaching little ones with the life-transforming Gospel is extremely important for society but requires every believer to do their part. Thank you for doing your part by holding us up in prayer and providing financial support to help us Tell His story, train leaders, and teach the little ones.

Patti McDonald with the Gospel Trailer in Butler, AL

Debbie with ministry friends in the French Quarter.

This past month your gift helped us continue laying bricks in the foundation through one-on-one ministry with parents and children, parade ministry, intercessory prayer ministry, recruiting volunteers, Zoom training, and more...

Patti and Joe McDonald invited us to join them on the maiden voyage with their amazing Gospel Trailer in the Butler, AL rodeo parade. The six of us distributed over 450 Gospel packets! Joe prepared the float for our local Irish, Italian, Islenos parade which canceled and has not rescheduled. What a delight to get to ride this year! The people along the route were all social distancing in family groups. We pray this will be the first of many parades for the Gospel trailer.

Also, through the ministry we purchased an annual *Family Plus One* pass for the Audubon Zoo, Aquarium, and Insectarium. What a blessing to take children in our ministry on an outing and enjoy God's amazing creation together! With the pass, we can take

up to six children and one extra adult...your ministry donations at work in the lives of little ones! Thank you so much!!!! (Audubon made provisions to help keep folks COVID19 safe.)

Telling His Story

Training Leaders

Teaching Little Ones

In our daily scripture reading we reflected on Nehemiah and his organizational skills to help Israel restore the Jerusalem wall. He faced multitude of challenges but he remained faithful though them all. God rewarded his faithfulness and the wall was restored.

This pandemic and the current situations in our nation and world challenge us each day. Nehemiah's example of faithfulness, diligence, organization skills, and trust in God's sovereign protection inspire us to press on.

Also, your faithful support now, during this crisis, as always fuels our inspiration. We know you get a mailbox full of donation request each day. Thank you SO MUCH for including the spiritual health of the little ones in your love offerings. May God richly bless and prosper you and your love ones for your generous support of WCK.

For the little ones,

Phil & Debbie Smith
