Booking the Smiths and Financial Arrangements

Note: We don't have a set financial amount that we require. We want to be available to churches of all sizes. The Smiths or Wee Can Know does not receive financial support from the North American Mission Board; under Mission Service Corp, we are self-funded (or faith-based) missionaries.

We suggest churches desiring to utilize Wee Can Know ministries help provide for our financial needs in the following way:

1. Underwrite the travel expenses, meals and lodging. (Round trip mileage from New Orleans at \$ 0.58 per mile, IRS business miles' allowance for 2021) or air fare (according to distances involved and if departing from New Orleans.)
2. Give an honorarium in an amount that would reflect the best amount set forth for the special training or services are planning... be it teacher training, evangelistic children's outreach, VBS presentation, or special children's meeting.
3. For church presentations, Wee Can Know benefits by receiving a freewill love offering during each service using our special offering envelopes by passing the plates and not at the door.
4. We request the churches to make a deposit of at least half of the honorarium amount to secure the date(s). We then put together a letter of confirmation and agreement once the honorarium is determined and mail (or email) it to you and ask that a copy be signed by leadership and a financial representative of the church and returned with the deposit.
5. We will email you promotional fliers, publicity materials and suggestions once confirmed by receiving the deposit. If you have additional questions, please let us know.... we look forward to God using us to help your children's ministry grow and prosper for God's glory!
