May 7, 2021

Dear

*Volunteer, Candy Campagna and Lamby, teach preschool children about the Good Shepherd.*

We love **GiveNOLA Day**, it's the one day out of the year that friends of Wee Can Know come together as one and show their love for the little ones. This year is our 6<sup>th</sup> year to participate. No, we STILL did not win any prizes, but we feel like we won first place!

Thank YOU for your part in helping us win for the little ones! This **GiveNOLA** we had 17 unique on-line donors, 11 off-line donors, and 4 new donors. Together we raised \$4000 and trust God will provide the additional \$1000 soon!

**GiveNOLA** is important because it enables us to get the word out about the need to reach children with the Gospel, unite folks together for the cause, and raise needed funds to "tell His story, train teachers, and teach little ones" that little ones can know the Savior.

While **GiveNOLA** was happening, ministry was also happening. We packed "God's love in a package" for 21 children enrolled in our Zoom Good News Club® (GNC®). We included crafts, toys, posters, and treats to remind them of GNC lessons. Your gifts help us purchase and print the items; plus, deliver the packages. We drop some packages off at the school, hand deliver a few, and ship others. Pray with us that these packages will remind the children of their lessons learned, encourage their parents in the Lord, and fill their hearts and homes with God's love.

Also, during **GiveNOLA**, we attended Child Evangelism Fellowship's International Conference virtually! We connected with ministry friends around the world, met new ones, and was challenged to move forward in ministry. Your gifts help us attend conferences like this one!

Thank YOU for joining with us this **GiveNOLA Day** with your prayers and generosity. If we can assist you in reaching a child with the Gospel of Christ, let us know, we would be blessed to help you!

For the little ones,

Phil and Debbie Smith  
President & VP of Ministries

*God's Love in a Package for 21 Zoom Good News Club kids.*
