*Only be careful, and watch yourselves closely so that you do not forget the things your eyes have seen or let them fade from your heart as long as you live. Teach them to your children and to their children after them. Deuteronomy 4:9 (NIV)*

**Dear Friend,**

In a ministry with children, we don't often get the positive reviews or the five stars that a youth or adult based ministry can generate. Unless we get feedback from a parent, we measure our success by the smiles and hugs we receive!

This past Sunday, we unexpectedly heard from a parent! We visited a children's worship service at First Baptist - Chalmette to engage with the children before we led the service the following Sunday. A mother was joining the service with her child, it was their first Sunday too.

When the mother saw us, she explained how much she and her son enjoyed the Resurrection Drive-thru we held at the church. They listened to the narrated story we created as they drove from one Resurrection Egg visual to the next. She said her son was upset to learn about the crucifixion (gambling for his clothes, the nails in his hands, and the spear in his side). However, she explained how delighted he was to learn of the resurrection. As a result of the event, they are visiting the church!

We thank the Lord for opportunities like this one, to reach the children and parents with the Gospel of Christ. Your faithful giving and prayer support frees us from financial burdens and enables us to faithfully tell His story, train leaders, and teach little ones!

For the little ones,

*Phil & Debbie Smith*

*Izah Campagna and Tracy Brandt are two young men we've mentored over the years. We congratulate them on their high school graduation. They attended First Baptist of Chalmette graduation service with us and we celebrated with lunch afterwards.*

*The Good News Club lesson series was on the life of Moses. Debbie created these visual (all except the 8) to help the kids remember the 10 commandments easier. We, also, emphasized how they describe the two greatest commandments (Mk 20:30-31). You can teach kids the 10 Commandments easily go to [WeeCanKnow.com/Big10](http://WeeCanKnow.com/Big10).*

*Above: Congratulations to our son, Michael Watkins, who earned a second BA in Cyber Security after his two MAs. Here he is with grandson, Luke, enjoying their drinks together.*

*Right: Ariel, one of our Zoom Good News Club members, looks for Easter eggs with her father. We thanked the Lord for the parents who joined their children during the Joni and Friend Walk-a-thon/ Palm Sunday event.*
