The harvest is plentiful, but the laborers are few; therefore plead with the Lord of the harvest to send out laborers into His harvest, Luke 10:2 NASB

Dear Friend,

During our ministry years with CEF of SW Alabama we had several opportunities to partner in ministry with Steve and Judy Cooner. They hosted 5-Days Clubs® in their home, Debbie visited Judy's classroom during *Black History* month and shared George Washington Carver's wonderful story. Also, Steve served as a clown in our annual fair ministry for several years!

Since those good ole' days, Judy's retired and the Cooners lead a Good News Club®! As a retired teacher and a substitute teacher, Judy is aware of the spiritual void in the majority of children today. Many principals and teachers hands are tied to address a child's spiritual needs but ours aren't!

That's why Judy requested we come to the Mobile area and share from our over 40 years of experience in reaching kids for Christ. We are thrilled for the opportunity to coordinate two training events, one in Greater New Orleans area and one in Mobile. Will you plead with us to the Father that He will call more workers in His harvest (Luke 10:20)?

Thank you so much for your faithful prayers and generous support. Because of you, these seminars can be offered at minimal fees. Plan to join us in August at the location most convenient for you and please share the opportunity with others!

For the little ones,

Phil & Debbie Smith
