*Therefore, if any man be in Christ, he is a **new** creature: old things are passed away; behold, all things are become **new**.*

2 Corinthians 5:17

Dear Friend,

Aren't you thankful for **new** beginnings? God is so good that He gives us new beginnings. We thank the Lord we can teach this message to the incarcerated youth we visit each Sunday at the jail. We can explain how he gave us a **new** beginning. We thank the Lord that we can teach little ones that God forgives our sin, He throws it into the deepest sea and doesn't remember it anymore! He makes all things **new**!

That message of salvation and **newness** of life is what drives us to keep going! Also, your prayers and support. We're excited about the new ministry year and school year!

However, this summer was AMAZING! Grant money enabled us to hire Mia Augustine as our summer ministry coordinator. She helped set up weekly Bible programs throughout Greater New Orleans. We both enjoyed the NEW locations, plus our faithful locations too. Here is an excerpt from Mia's thank you note:

This summer has taught me what it means to seek the Lord in all things. Especially when dealing with the strict schedule of preschoolers, it is so important to ask the Lord for guidance and open doors. I was able to witness the Lord working things out to make sure the children of the Greater New Orleans Area know Him.

During the CEF Blitz week, when a club was canceled due to sickness, we found some children in the Desire Street community and held an outdoor club!

Fall brings **new** beginnings for children, parents, and Wee Can Knew! Tuesday, we provided our **new** Zoom class. We demonstrated the Creation lesson for preschool children and provided, inspiration and instruction for parents and teachers. Check out our playlist at [YouTube.com/@weecanknew2025](https://www.youtube.com/@weecanknew2025). BTW: We had 12 **new** teachers sign up for our Zoom training resources!

GiveNOLA Day 2025 Report

Thank you for your prayers and support for **GiveNOLA Day**. With our matching funds (up to \$5,000) total raised was \$5980.32. You can still help us achieve our \$12,000 goal. Can you help today with a one-time gift of \$25 or more? Our general account funds for 2025 are significantly lower than last year. Every cent counts and is multiplied to help us serve as "1 sent" by God to: *Tell His Story, Teach the Little Ones, Train Leaders*. Ready to help us?

Thank you so much for caring, praying, supporting, and going! We look forward to this **new** year teaching little kids and partnering with you!
