**Happy New Year!**

As we reflect on 2025, we are grateful for a wonderful journey with friends and family. A few highlights of the year are working with a young mother from *Gracefully Free Marketing* to assist us with on-line communication. This opened the door for us to provide monthly zoom training. We worked vigorously each month to produce a devotional, teacher enrichment, and preschool lesson demonstration! Our goal was one zoom training each month and with the Lord's help we succeeded, except July!

God blessed us with Mia Augustine serving as summer coordinator for summer outreach. Her efforts enabled us to teach little ones about Jesus throughout Greater New Orleans. Through Mia's efforts, God opened new doors for Wee Can Know!

Other highlights include participation in the Irish, Italian, Isles parade with Joe and Patti McDonald, an article about Wee Can Know in the Fall WMU *Mission Mosaic Magazine*, Fall outreach events, and working with our volunteer, Damon Dupart, to create a Christmas video with his adaption of CEF's Christmas lesson, *Whose Birthday is it?*

For 2026, we're transitioning to Biloxi, MS next to Keesler Air Force Base and the VA. Enabling us to expand previous ministry there while living closer to family and military benefits during our senior years. The good news is that Mya Augustine (Mia's twin sister) will continue the ministry here in the Greater New Orleans area. God provided a generous grant to help toward initial support for Mya, We pray God will provide additional support through local businesses, friends, and family. Please pray!

Thank you for helping us along in this ministry journey with your prayers, finances, and helping hands. We could not accomplish these task without your help. We are so grateful!

May the Lord bless you and keep you in 2026. We look forward to serving with you!
